

## Questions Asked During the TEAM Overview Webinar

**Q:** Does CMS do the subsequent years calculations to arrive at adjustments, or must hospitals track these stats?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** I heard earlier that hospitals must submit data of Y2- Y5, is this correct?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** Because we are a small hospital, very often someone will present at our ED and then be transferred to another acute care hospital. Are we then considered the anchor visit? Or will the receiving hospital who admits that patients take our emergency department costs into their risk?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** Does the Info Transfer Pro only calculate the eligible in TEAM or ALL other OP Info Transfer PRO collection (for procedures not in TEAM?)

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** How do you all know that the Information Transfer PROM will only apply to LEJR and Spinal Fusion?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** If there is an unrelated appointment that a patient already has scheduled (e.g. mental health or dermatology) and it is within the 30-day window, will it be included in the total cost?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** If the patient goes to the ER for an unrelated reason from the anchor procedure within 30 days, will that be included on the assigned 30-day budget?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** Who "owns" TEAM performance and coordination if you are at a TEAM facility? CFO? CEO? Quality?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** We are a CAH. We are auto-enrolled in TEAM? Is this something our Medisolv customer success person helps us with?

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** If we were not chosen for TEAM do we need to worry about the contact form? It says the form is closed.

**A:** Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>

**Q:** Does the Outpatient version of the THA/TKA PRO-PM measure count for this program? The earlier slide highlighted the IQR version only.

**A: Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>**

**Q: Will TEAM impact stand-alone psychiatric inpatient facilities?**

**A: Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>**

**Q: What about VA patients? - Patients with Veteran Benefits - will they be included in this? Example: VA as primary, Medicare as secondary**

**A: Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>**

**Q: How will CMS capture compliance with the follow-up appointment with the patient's PCP component? Will it be an attestation by the hospital?**

**A: Question will be answered live on the Medisolv Minute Radio Show hour. <https://medisolvinc.mixlr.com/events/4361293>**

**Q: Some of the eCQM being measured in TEAM are voluntary for IQR reporting. How will TEAM handle this if the hospital is reporting on other eCQMS to meet the eCQM reporting requirements under IQR?**
